

United Christian College (Kowloon East)
Annual Plan 2015-2016
Life Planning Committee

A. OBJECTIVES

Major Concern: To develop a whole school Aspiration Driven Curriculum enhancing intrinsic learning motivation. In coming academic year (15-16), “Life Planning committee” will be formed according to the needs of school. This committee is responsible, but not limited to the work of the Career Guidance Committee. Therefore, the Career Guidance Committee will be merged into this newly established committee.

S3:

1. To nurture students’ positive attitude towards professionalism (專業精神).
2. To provide information about Hong Kong Diploma of Secondary Education and information about JUPAS so that they can make decision on their subject choice when being admitted to S4.
3. To communicate with parents about the subjects available for choice and how to facilitate their children in subject choice. (cooperation with AAC)
4. To facilitate students’ self-understanding on the relationship between their personal characteristics and subject choice.

S4:

1. To nurture students’ positive attitude towards professionalism (專業精神).
2. To prepare students to do research on the choice of post-secondary future studies (especially about university choice).
3. To nurture students’ strategic planning for future study.

S5:

1. To nurture students’ positive attitude towards professionalism (專業精神).
2. To facilitate students’ self-understanding on their personal characteristics which are related to each student’s individualized career planning.
3. To prepare students to do research on the choice of post-secondary future studies (especially about university choice).
4. To communicate with parents in order to “co-walk” with students on choice of post-secondary further studies.
5. To nurture students’ strategic planning for future study.

S6:

1. To facilitate students to make decision on JUPAS and Non-JUPAS choice.
2. To facilitate students in exploring their career development.
