

United Christian College (Kowloon East)
Policy of Scholarship and Fee Remission Scheme

A. Objective

1. To support students who are highly motivated to learn but financially less capable, or students who are receiving financial support under the Comprehensive Social Security Assistance (CSSA) Scheme of Social Welfare Department and student financial assistance of Working Family and Student Financial Assistance Agency (WFSFAA).
2. To reward students with outstanding performance or improvement in various aspects.
3. To encourage students to actively participate in personal growth training programmes.
4. To build a caring and positive learning environment and provide valuable learning opportunities for our students to serve the community.

B. Budget

1. At least 10% of the school's total school fee income will be set aside to provide fee remission/scholarship for deserving students.
2. The school understands that if a DSS school charges a school fee between $\frac{2}{3}$ (two-third) and $2\frac{1}{3}$ (two and one-third) of the DSS unit subsidy rate, the school should set aside 50 cents for the fee remission/scholarship scheme for every additional dollar charged over and above $\frac{2}{3}$ (two-third) of the DSS unit subsidy rate.
3. The school should take whichever higher in the calculation of fee remission/ scholarship budget in B.1 and B.2 above.
4. The school understands that when the reserve for the fee remission/scholarship scheme of a DSS school has reached a cumulative amount that exceeds the school's half-year total fee income due to low utilisation of the scheme, the SMC should devise a plan on how this specific reserve could be effectively deployed and submit it to the EDB for consideration. (Ref.: EDB(SAS1)/DSS/FIN/1(XII)/C)

C. Fee Remission

1. The fee remission criteria are primarily based on the eligibility criteria for financial assistance scheme of the WFSFAA, i.e. full assistance or half assistance. Parents can apply to the school for school fee remission and subsidy for learning activities accompanied with the results slips from the WFSFAA.
2. If parents have not made applications to the WFSFAA, they can also apply for school fee remission and subsidy for learning activities if they have financial needs permanently or temporarily. However, their application must have full details of the family's income and expenses and the amount of fee remission requested.
3. Students from families on CSSA Scheme will be given full school fee remission.
4. Students and their family should take initiative for the application of all kinds of subsidy.

5. Fee Remission Scheme

6.3 Fill the appropriate form, which can either collected from school General Office or downloaded from school website)

6.4 Submit the application form with necessary supporting documents to the school General Office.

7. Method of Assessment

7.1 Full remission will be granted to family receiving CSSA.

7.2 Remission ratio granted will be the same as the one from WFSFAA, i.e. 50% or 100%.

7.3 For family not under the assessment of CSSA and WFSFAA, the school will assess based on the method used by the WFSFAA, the Adjusted Family Income (AFI) mechanism.

- 7.3.1 The AFI mechanism is based on the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)^*}$$
- 7.3.2 Annual income of the family includes the annual income of the applicant and the spouse, 30% of the annual income of unmarried children residing with the family if applicable; and the contributions from relatives / friends if applicable.
- 7.3.3 The members of a family normally refer to the applicant, the spouse, the unmarried children and the depending parents residing with the family.
**For single parent families of 2 to 3 members, the 'plus 1 factor' in the divisor of the AFI formula will be increased to 2.*
- 7.3.4 The calculated AFI indicates whether an applicant is eligible for assistance and if so whether the assistance level would be for full rate or half rate. For example, for 2021/22,

AFI groups between (HK\$)	Level of Assistance
0 – 41,360	FULL*
41,361-79,976	Half
>79,976	Ineligible

** AFI thresholds for full level of assistance for 3-member and 4-member families are \$50,071 and \$46,066 respectively in the 2021/22 school year. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.*
